**RESPECT LIFE** - The right to life is the first among human rights. To abort a child is to kill someone who cannot defend himself.

**Fetal Development of "Matthew"** Tradition teaches us Christ was conceived on the Feast of the Annunciation. We will watch the parallel development of "Matthew" in the womb beginning on March 25 (Feast of the Annunciation) until December 25. The Office of Pro Life is making available a series of bulletin messages describing the fetal development of "Matthew."

**Development of Matthew June 2 (week 11)**The most critical part of Matthew’s development is now complete. Matthew enters into a period of rapid growth. His eyelids fuse close and will not open again until about 26 weeks. His eye color is already determined and Matthew can squint and even swallow. Matthew is over an inch long and is moving around in his home, the womb. The mother’s uterus will increase its capacity by 1000 times during pregnancy. "For nothing will be impossible for God." (Luke 1:37)

**From our Bishop:** The United States Conference of Catholic Bishops is currently assessing how the Church may best be of assistance to the people in Oklahoma. In the meantime, in the Diocese of Raleigh, parishes wishing to take a special collection to support relief efforts are encouraged to do so. In order that we may know the totality of our Diocesan response, all collections for the victims of the tornado are requested to be sent to the Diocese of Raleigh Business Office, with a notation on the check that these monies are for the Oklahoma tornado relief. The Diocese will forward the collections to Catholic Charities USA, which will be

This liturgy is an opportunity to participate in our 14-day Diocesan observance of the Fortnight, which will focus on prayer, education and peaceful public action to protect our right to religious freedom, with respect to the gift of life, marriage, conscience rights, as well as its application to immigration, adoption, health care and humanitarian concerns.
