RESPECT LIFE - The right to life is the first among human rights. To abort a child is to kill someone who cannot defend himself.

~ Cardinal Jorge Bergoglio, former Archbishop of Buenos Aires (now Pope Francis), *Sobre el cielo y la tierra (On heaven and earth)*, 2011

Fetal Development of "Matthew" Tradition teaches us Christ was conceived on the Feast of the Annunciation. We will watch the parallel development of "Matthew" in the womb beginning on March 25 (Feast of the Annunciation) until December 25. The Office of Pro Life is making available a series of bulletin messages describing the fetal development of "Matthew."

Fetal Development of "Matthew" Development of Matthew

June 9 (week 12) Matthew is almost 2 inches long. Fingers and toes are separated. Matthew could easily stand on his Daddy's little fingernail. His feet are the size of the Precious Feet pins that have become a symbol of the pro-life movement. Fingernails and hair are starting to grow. "You did form my inward parts; you did knit me together in my mother's womb. (Ps 139)

Prayer List: The Wetzel and Callahan families thank all those who have offered their prayers for Maria Wetzel. Maria was called to the Lord in late May after the return of a lengthy illness. She touched many lives, all of whom benefited from her loving spirit.

Jewelry Found in Parish hall Kitchen: if you have recently left some jewelry in the Parish Kitchen please contact Lidia Beer, 910.665-1079 or lb1684@att.com.

Father's Day Breakfast: For the month of June we will be celebrating our breakfast on 6/16 following the 8:30 AM mass. This will be a special breakfast to honor the "Fathers" in our Parish. The Women of the Parish are asked to contribute a dish to share with all. A group of volunteers will be preparing homemade waffles for the event as well.

Bishop Burbidge invites the Faithful to participate in Fortnight for Freedom – All are invited to join with **Bishop Burbidge** in the celebration of Solemn Vespers (Evening Prayer) to begin our diocesan observance of the Fortnight for Freedom on **Sunday, June 23, 2013 at 4 pm** at Our Lady of Lourdes Catholic Church in Raleigh, followed by a picnic sponsored by the Knights of Columbus. This liturgy is an opportunity to participate in our 14-day Diocesan observance of the Fortnight, which will focus on prayer, education and peaceful public action to protect our right to religious freedom, with respect to the gift of life, marriage. Conscience rights, as well as its application to immigration, adoption, health care and humanitarian concerns. For more information and educational resources on the Fortnight for Freedom, visit our diocesan website at www.dioceseofraleigh.org.

There will be no mass on June 17.

Caterpillar: Thanks to all parishioners who have fed the hungry caterpillar in the vestibule. Your donations have helped expand the weekend backpack program for school age children in the Wallace-Rose Hill School District and Chinquapin Elementary School. Remember that all your donation goes to provide food for those children who have, through no fault of their own, slipped through the government safety nets and go to school or bed (or both) hungry.

Checks should be made out to Transfiguration Catholic Church with the annotation Feed Our Hungry Children to be reflected in your annual giving statement. Cash donations are also welcome. Let's really stuff that hungry caterpillar!! Take a copy of the yellow brochure on the credenza in the vestibule or for more information. Or call Julia Callahan or Julie Couch with any questions you may have

Knight of Columbus If you would like to get into the 50/50 raffle see Tom Wilders. Numbers are \$20.00 each and we

have
June

at least 2 winners each month. The K of C meetings are June 11 and June 25.

Summer is here and with children out of school there continues to be a need for non-perishable food items. While the Knight do the manual collecting, the whole parish is involved. The food is then taken to the Wallace Food Pantry for distribution as needed by the Presbyterian Church.

Canned veggies seem to be in plentiful supply for the time being thanks to recent Food Lion sales. Other needed items include cereal, peanut butter, canned meats (chicken, tuna, beef), dried and canned beans, pasta, rice, canned pasta (like Chef Boy-ardee) and pasta sauce, diced tomatoes, and canned fruit. Food Lion and Piggly Wiggly often have great sales on these items; watch your local paper. Please also be sure to check "sell" dates to ensure freshness.

Thank you for your continuing generosity and your answer to Christ's call to feed those in need. You are a blessing to the Wallace area.

Save the Date: Dinner and a magic show on June 28th; this is the anniversary of our becoming a parish! Tickets are \$25 for adults, \$10 for children. This will take place in the Celtic Court at the Mad Boar and is open to the public. Tickets will be on sale after Mass.

FAITH FORMATION PRE-REGISTRATION: Faith Formation classes will begin this Fall for all students from grade 1 through 11. It is extremely important for all students to attend these classes to further their knowledge and commitment to their religious upbringing. Students who will be receiving either the sacrament of the Eucharist or Confirmation must attend a two year program.

We would like parents to register their children by July 15th to enable us to order the appropriate materials and to have sufficient staff in place to teach the classes. Please fill out the form that will be available outside in a table and return it in the collection basket during the weekend Masses. You may also e-mail the information to franbraks@charter.net.

SAFE ENVIRONMENT TEAMS Did you know that every parish in our Diocese has to have a Safe Environment Team? At this moment, we do not have a team for our parish and we are looking to form our "TSET" (Transfiguration Safe Environment Team) as soon as possible.

By virtue of our baptism, each of us is called by name to participate in the ministry of Christ who is priest, prophet and king. In accord with that ministry, we are called as priest to share the presence of God with those around us, as prophet we speak the truth even in difficult times and call each other to fidelity to God's ways, and as king we exemplify the servant leader who generously and conscientiously looks after the welfare of those entrusted to us.

Because all human life is a precious gift from God, we must assure that all persons, especially the young, and vulnerable, are to be treated with dignity, respect and offered an environment that promotes safety. A safe environment is one that provides for the protection of the physical, emotional, and spiritual health and well being of each person. More

than simply offering the protection from danger, a safe environment within our context also reflects the reality that the church sees itself as a sanctuary, that is, a "sacred space" where one finds protection, security, support, guidance, and the presence of God. Thus, the entire church community must live in a way that is consistent with that covenant by fostering environments that not only are safe, but also healthy. A Safe Environment Program strives to empower parishes, schools, families and individuals to create and foster safe and healthy environments for children and youth in all aspects of their lives. We strive to achieve this through preventive measures, as well as educational strategies. Prevention of abuse and neglect of our children and youth is foundational to the Safe Environment Program and constitutes its initial focus. As the program develops, safe and healthy environment training also will include, but not be limited to, such strategies as education and training in effective parenting, conflict resolution, internet and computer safety, the prevention of harassment, bullying or violence in any form, healthy and best practices for injury prevention, and attention to safety in the event of emergency or disaster.

Training, support, and resources will be directed to: **All Church Personnel**: including lay and religious employees and volunteer, priests and deacons, by supporting them in ministering to their people through implementing and participating in comprehensive safe environment programs. **Children and Youth Themselves**: by supporting them in their effort to navigate their way through the confusing and often harmful aspects of the world by developing the necessary knowledge, integrity, and self-mastery they need to live in a mature and active faith. **Parents**: who, as leaders of the "domestic church", are called to provide the primary safe and formative environment for their children, by supporting the vocation of parenthood and marital bond, so as to improve the nurturing and formation of their children, who are a gift and who call their parents together in love. **All Persons**: who out of generosity and care, seek to better their own local environments for the safety and health of children and youth.

Everything we do as a church must reflect our commitment to respect life in all situations by providing a secure sacred space that safeguards and promotes human dignity, by fostering the development of each individual, and by creating and maintaining a safe and healthy environment for all who come to us seeking an experience of the holy presence of God.

Please consider participating of this new endeavor. Please email Fr. Alex if you want to help.

BIRTHCHOICE On behalf of Birthchoice, we thank you for your donation of \$904.81 from Baby Bottle Collection and gratefully acknowledge your commitment to life. Thanks to all the parishioners for the gift to help us take care of the mothers and their babies who come to us in need.

Information to be added to the bulletin must be emailed to eileenhirshkind@aol.com by Wednesday 10pm to appear in the upcoming bulletin. If you would like to receive an email copy, please visit www.catholicweb.com or email eileenhirshkind@aol.com
