RESPECT LIFE -

"That special power of loving that belongs to a woman is seen most clearly when she becomes a mother. Motherhood is the gift of God to women. How grateful we must be to God for this wonderful gift that brings such joy to the whole world, women and men alike! Yet we can destroy this gift of motherhood, especially by the evil of abortion, but also by thinking that other things like jobs or positions are more important than loving, than giving oneself to others. No job, no plans, no possessions, no idea of 'freedom' can take the place of love. So anything that destroys God's gift of motherhood destroys His most precious gift to women--the ability to love as a woman."

----Blessed Mother Theresa, Letter to the Fourth World Conference on Women, Beijing, 1995

Fetal Development of Hannah Tradition teaches us Christ was conceived on the Feast of the Annunciation. We will watch the parallel development of "Hannah" in the womb beginning on March 25 (Feast of the Annunciation) until December 25.

Fetal Development of Hannah June 15 (week 13) Hannah now sleeps and exercises the muscles energetically. She is able to turn her head, curl her toes, make a fist and open and close her mouth while breathing the amniotic fluid to help develop the respiratory system. While Hannah is active, she is very small, weighing about one ounce. "Before I formed you in the womb I knew you," (Jer. 1: 5)

Prayer for Priests by St. Therese de Lisieux

O Jesus, Eternal Priest, keep you priest, Fr. (name the priest), within the shelter of Your Sacred Heart, where none may touch him.

Keep unstained his anointed hands, which daily touch Your Sacred Body. Keep unsullied his lips, daily purpled with Your Precious Blood.

Keep pure and unearthly his heart sealed with the sublime mark of the priesthood. Let Your holy love surround him and shield him from the world's contagion. Bless his labors with abundant fruit and may the souls to whom he ministers be his joy and consolation here and in heaven his beautiful and everlasting crown. Amen.

LIGHTHOUSE

You are all invited to be part of an opportunity to continue to strengthen your faith. There is a committee of many that has been listening to the Lighthouse CDs. The committee is headed up by Sheila Bartoldi. We are excited to tell you that through these efforts and a meeting of discussion we have made a discovery that even the leadership of Lighthouse has been enlightened. We have been able to put the CD teachings into a ranking of green, yellow, red according to how we best believe they should be listened to. We have returned many CDs and ordered those that best meet our needs. We will select a CD each month to discuss and have a brief summary at Mass as well.

The first CD for discussion is on July 7th at 5:30 in the Parish Hall with fellowship following. The CD is titled "The Best Version of Yourself". Do not miss this great opportunity to share your thoughts at a group discussion.

Happy Father's Day: Benedict XVI spoke about the meaning of God as Father. He acknowledged that "it is not always easy to talk about fatherhood" in a world where many children grow up without a reliable or loving father. For them, "imagining God as a father becomes problematic." And yet God has revealed Himself in Scripture, and most fully in the Person of Jesus, as "a Father who never abandons his children, a loving Father who supports, helps, welcomes, pardons and saves with a faithfulness that surpasses by far that of men and women, opening onto dimensions of eternity."

Men who are fathers receive the high calling of reflecting God's fatherhood to their children. Faithful, loving fatherhood is a precious gift, and Father's Day is an opportunity to thank fathers for their irreplaceable presence. For those who lack an earthly father's love, Pope Benedict reminds us that "the love of God the Father never fails, he does not tire of us; it is a love that gives to the end, even to the sacrifice of his Son."
