

May 12, 2020

This is to let you know that beginning this **Sunday, May 17, 2020, all Masses will be celebrated on the grounds of Transfiguration in Wallace. Mass times are the following: 8:30 AM English, 11:00 AM Spanish on the grounds of Transfiguration, and 4:00 PM Spanish on the grounds of Santa Clara.**

RL grounds were a perfect venue but we encountered technical issues while transmitting. The 11 am Spanish mass transmitted well from the church grounds because of the strong connectivity. The grounds of our church is spacious enough to accommodate all, but if you are not ready to join us, please visit us on Facebook if you wish to received communion from your home let deacon and I know. Bring your comfortable chairs but we will also be bringing out chairs from the parish hall.

We are healthier as a community because we care, are patient, prudent, and responsible.

Thank you for your prayers and your continued trust and support to our church during this trying time. Looking forward to seeing you.

My profound thanks to all of you.

Fr. Randy

P.S. Attached photo taken during the 11 AM mass. There is more space along Teachey Road.

## **The Distribution of Holy Communion and the Exchange of the Sign of Peace**

- The distribution of Holy Communion is only to be by means of one species, the Sacred Body. In addition to distancing precautions, when distributing Holy Communion, both Ordinary and Extraordinary Eucharistic Ministers may utilize hand sanitizer and a mask.
- The extension of the Sign of Peace is to remain omitted at this time.

## **Social Distancing Requirements Summary and Other Recommendations**

As stated by Governor Cooper in his Executive Order, social distancing is advised as follows:

- Maintain at least six (6) feet social distancing from other individuals, with the exception of family or household members.
- Wear a cloth mask or face covering during all indoor public settings and when outdoors, where at least six (6) feet of distancing may not be maintained, with the exception among those who are family and other household members.
- Carry and utilize hand sanitizer, when outside the home.
- Wash hands regularly, using soap and water for at least twenty seconds.
- Regularly clean contacted surfaces, such as steering wheels, wallets, and phones.

If you are ill, be mindful of others by staying at home until the illness has passed.
