

July 22, 2020

Dear All,

Good day to all of you. I pray that the provident God continues to protect each one of you.

I would like to thank you all for your patience and understanding during these trying months. We are back to our normal mass schedule at less capacity (30) but lately, we have been exceeding capacity, which is great news, but it also presents a challenge especially for the 8:30 AM mass. And per Parish Advisory Council guidance we have made available the parish hall for an avenue where a mask is required and no singing.

After seeing the surge of parishioners coming to Mass, I made a personal call to add an EXTRA MASS on Sunday at 10:00 AM in English. This **Mass requires that all attendees wear mask/facial covering throughout the mass** except of course when receiving the Body of Christ. **This mass will not have MUSIC.** At the end of the mass, attendees are asked to exit through the side doors so the crowd for 11 AM Spanish can enter through the main door. I will start celebrating this extra mass this Sunday, July 26.

Regular Mass Schedule (in these masses, I've noticed that our parishioners are choosing to wear/not wear mask during the mass).

5:00 PM - the regular crowd who signed up at the beginning of indoor masses (chairs are available around the church).

8:30 AM - the regular crowd of 8:30

11:00 AM - Spanish mass. There is no need to add extra mass in Spanish at this time.

Sincerely yours in Christ,

Father Randy
